Terms of Participation

Eurohoops Camps | Christmas Edition 2026-2027

I. General Terms

- This document sets out the terms of the agreement between the athlete (represented by their guardian) and the sports club operating under the name "Exelixis Basketball Academy Sports Club" (hereinafter "Eurohoops Academy")—duly represented—regarding the provision of sports training services by the latter to the athlete for the selected duration specified below.

- Upon completion of the athlete's registration, it is affirmed that the athlete is in good health and fit to participate in strenuous athletic activities—a fact also evidenced by the "Athletic Fitness Certificate," which must be submitted prior to the athlete's commencement of participation in said activities.

- Participation in the Eurohoops Christmas Camp is considered valid, and a spot is secured, only upon the online submission of the Athlete Participation Application and the payment of a deposit equal to 50% of the total participation fee. The full balance of the participation fee must be paid no later than seven (7) calendar days prior to the start date of the camp. If the requirements are not met, the applicant shall not be permitted to participate in the Camp and shall have no further claims.

- If a participant withdraws from the Camp before its commencement—and after having secured their spot as per the paragraph above—they are entitled to a refund of the amount paid, minus 15% of the total participation fee (to cover organizational and processing costs). In the event of withdrawal during the Camp, Eurohoops Academy is under no obligation to provide a refund.

- Parents/guardians do not attend training sessions, in order to ensure the smooth running of the program and the athletes' concentration.

- Activities taking place within the Eurohoops Academy facilities are conducted in the presence of staff trained to provide First Aid. Consequently, Eurohoops Academy cannot be held liable for any injury or other incident occurring during its activities, nor for the coverage of any subsequent medical expenses. Furthermore, Eurohoops Academy bears no liability for any direct or indirect damages, moral damage, or emotional distress suffered by an athlete or their parent/guardian.

- Eurohoops Academy bears no responsibility for the loss of any items or clothing belonging to the athletes; athletes should avoid bringing valuables or large sums of money with them.

- By submitting the application for the child's participation in the Camp, the Guardian declares that they accept the terms herein fully and unreservedly.

IV. Personal Data and GTPR

Personal Data: Eurohoops Academy maintains the details of the athlete and their guardian—as provided in the "Athlete Participation Application – Eurohoops Camps Christmas Edition 2026-27" form—in both electronic and hard-copy formats. This information is collected to facilitate communication with the athlete and/or their guardian as necessary (e.g., in the event of changes to the training schedule, supervision arrangements, etc.). Additionally, records will be kept regarding the athlete's attendance (dates and times) at sports activities, as well as their athletic performance during training sessions (where applicable). Such data will be retained for a maximum period of five (5) years following the conclusion of the Camp.

Sports Fitness Certificate: Eurohoops Academy maintains a record—in both physical and electronic format—of the participant's Sports Fitness Certificate, which must be submitted prior to the start of their participation in the Camp. This processing is essential for safeguarding the athlete's health and also constitutes a legal obligation for Eurohoops Academy. Such data will be retained for a maximum period of five (5) years following the conclusion of the Camp.

Audiovisual Material: By completing the "Athlete Participation Application" form, the athlete's guardian automatically provides consent for the storage—in an electronic archive—and the use of audiovisual material featuring the athlete, captured in the context of their training sessions. The material in question may be used: (a) by Eurohoops Academy staff to monitor the child's athletic performance; and (b) to promote Eurohoops Academy's activities online (on its official website and/or social media pages, or those of its partners). Such processing will take place for a maximum period of ten (10) years following the conclusion of the Camp, ensuring that the relevant archive is available should the need arise to create a video documenting the child's progress over the years. The guardian—or the athlete themselves, subject to the conditions set forth by applicable law—may withdraw their consent by submitting a simple declaration to Eurohoops Academy.

Electronic updates regarding Eurohoops Academy news and activities: By accepting the terms of participation, the Guardian consents to the receipt of informational material—sent to the email address provided—concerning news, activities, and programs offered by Eurohoops Academy and eurohoops.net, as well as announcements or messages from partner companies in connection with the Academy's operations. Electronic updates are sent in accordance with the requirements of applicable personal data protection legislation, and the Guardian may, at any time, opt out of receiving them by using the "unsubscribe" option included in every newsletter received. Data processing for this purpose will continue for a period of up to five (5) years following the conclusion of the camp.

Additional information: The guardian and/or the athlete, subject to the conditions set forth by applicable law, have the right to submit a request to Eurohoops Academy at any time for access to, correction, or deletion of the aforementioned data, for the restriction of or objection to its processing, or for the portability (transfer) of such data to a third party. In any event, the guardian and/or the athlete have the right to lodge a complaint with any competent authority regarding any

violation of the applicable provisions concerning their personal data. It is clarified that, among the aforementioned information, the data referred to in paragraphs IV.1, IV.2, and IV.3 are necessary for the execution of the sports training services agreement. In the context of the processing of said data, no automated decision-making and/or profiling of the athlete will take place. Under no circumstances will any of the data be transferred to a third country (outside the EU) or to an international organization. In relation to the above, it is clarified that Eurohoops Academy acts as the Data Controller.
